

## Commission européenne Europese Commissie

Gain a deeper understanding of the European Union through **5 online courses**, combined with a **Summer School** in Brussels and Vienna or an online **Winter School**

### HIGHLIGHTS

- 5 online courses covering the European integration process, the EU, its institutions, and policies (September-June)
- Intensive 2-week Summer School in Brussels and Vienna (July) or online Winter School (February) on EU Policy Making
- European studies certificate instructed by EU experts
- Flexibility as regards start date (July or September) and duration (1 or 2 years)
- Designed for full-time professionals or students with a daytime schedule
- Organised by a Jean Monnet Centre of Excellence

### YOUR BENEFITS

- In-depth expertise on the functioning of the EU, its decision-making process and the roles of the various actors involved
- Insider knowledge on the focus theme of the Summer School (civil rights) or Winter School (digital rights and diplomacy)
- Close connections with other students and professors, a network that will help boost your career

“ In this programme, you will get a comprehensive overview of the roles of each institution and learn a lot about external relations and a variety of public policy topics. I loved how many of the assignments were practical tasks rather than purely academic exercises. The summer school was definitely the highlight - its simulation game was great for negotiation and leadership skills. Attending lectures by EU officials in Brussels and Vienna was a fantastic way to learn about the current challenges faced by international organisations.
